

THE POTTON SHOW

ST. MARY'S CHURCH FIELD

1973

2023

9TH SEPTEMBER 2023

SHOW OPENS AT 2:00 P.M.

Thank you for your interest in the Potton Show and we are extremely pleased that this year marks 50 years since it's inception! ... or so we thought.

We have uncovered evidence of there being a **Potton and District Horticultural Society** holding their eighth Annual Flower show in the grounds of Manor Park, Potton on 13th August 1914! The price to admit one adult, or two children under 12, was One Shilling! Potton History Society will have a stand on the field in September and will have on display a very interesting article that was written for them by a former Chairman, Colin Buxton (now deceased) who mentions that the first "New" show was primarily funded by various locals staging a pantomime, "Aladdin" and this seems to have then begun both the show and Potton Playhouse.

The Annual show in today's format was born out of the idea of some enthusiastic local folks back in 1973, and thanks to the hard work and support of our Committee members is still going strong in 2023. The show was originally only open to residents of Potton, Cockayne Hatley and Sutton and was staged in the Church Hall, but over the years a marquee was required to be able to accommodate the huge and diverse amount of entries!

The committee are very proud to be able to continue to hold the show and to keep this tradition alive and are very thankful for the great amount of support given throughout the year, as well as on the weekend of the show. It is so very difficult to mention everyone, but I do thank in particular our advertisers, sponsors, judges, stewards, committee members and others, namely;

CK Nurseries, Mick Greenfield, Mark Thompson, St Marys Hall Management Committee, Heather & Anthony Curry, Gordon Moulds, Potton History Society, Potton Scout Group, Potton Consolidated Charities, Potton Town Council, Tysoes Hardware, Potton Post Office, Camerons News, Top Dog Training School, Tesco Express Potton, Party on! Potton, York House Meats, Carlton Avison, LDB Electrical, Potton Library, Printech, Potton Food Store and finally – yourselves! For taking the time to prepare your entries and take part. Without the support of our entrants and visitors we would have a very empty marquee and it would be a sad day. Growing & showing may seem an old-fashioned hobby but it brings our community together for beautiful & interesting events. So, whether you show cake, compost, carrots or chrysanthemums we would love to see your entries on the show bench this year.

Thank you

Jan May Show Chairman

Class 662 (6 - 8 years) Poem to be handwritten

The Purple Cow

I never saw a purple cow,
 I never hope to see one,
 But I can tell you, anyhow,
 I'd rather see than be one!

GELETT BURGESS

Class 676 (9 – 11 Years)

Poem to be handwritten

The Owl and the Pussycat
 Went to sea, in a beautiful
 Pea-Green boat.
 They took some honey,
 And plenty of money,
 Wrapped up in a five-pound note.
 The Owl looked up to the stars above,
 And sang to a small guitar.
 O lovely Pussy!, O Pussy my love,
 What a beautiful Pussy you are,
 You are, what a beautiful Pussy
 You are !

EDWARD LEAR

Class 688 (12 – 16 Years)

Poem to be handwritten

I think that I shall never see
 A poem lovely as a tree.
 A tree whose hungry mouth is prest
 Against the earth's sweet flowing breast;
 A tree that looks at God all day,
 And lifts her leafy arms to pray;
 A tree that may in summer wear
 A nest of robins in her hair;
 Upon whose bosom snow has lain;
 Who intimately lives with rain.
 Poems are made by fools like me,
 But only God can make a tree.

THE RULES

1. Exhibits must be strictly according to the Schedule, and failure here will be disqualified by the judges.
2. Two entries are allowed per class per individual.
3. All exhibits must be exhibitors' own growing or making and must not have been produced for commercial purposes. Exhibits should not have been exhibited at this Show before.
4. Children may enter any class in addition to those in the Children's Section, on the same basis as other entrants.
5. Vegetables, fruit and flowers will be judged to R.H.S. standards. Please ask a committee member for clarification.
6. Chrysanthemums will be judged in accordance with the rules of the National Chrysanthemum Society as current. Blooms must be shown in the classification registered at the N.C.S.
7. Exhibits will be accepted from 7.00 pm to 9.00 pm on the evening prior to the Show, and from 8.00 am to 9.45 am on Show morning, after which the premises will be cleared for judging. No late entries will be accepted.
8. The Committee may not be held responsible for loss or damage to exhibits but will take all reasonable care of same.
9. An envelope containing exhibitor slips along with "NOT FOR SALE IN AUCTION" stickers (if items of produce are not to be donated to the auction) must be collected from the office on submitting entries.
10. All horticultural exhibits must be grown by the exhibitor, or have been in his/her possession for at least three months.

The Rules - Continued:

11. No exhibits may be removed from the Show before the Auction commences.
12. All cups are Perpetual Trophies and will be held by the winners until one month before the Show the following year, when they must be returned to a Committee member.
13. Where there are less than 3 entries in any class, the judges have the power to award a prize only if they think fit.
14. Points for scoring will be awarded as follows: First - 5 points: Second - 3 points: Third - 1 point.

15. Potton Show Top Tray Rules

The Potton Show Top Tray class is for a collection of three types of vegetables taken from the following list of eight. The quantity of each vegetable required for the collection is given in brackets: Carrots (3), Cauliflowers (2), Onions (3), Parsnips (3), Peas (6 pods), Potatoes (3), Runner Beans (6 pods), Tomatoes (6). Each type of vegetable will be judged out of a total of 20 points. This is split into three sections as follows: 7 points for size, shape and colour; 7 points for condition; 6 points for uniformity. The overall mark will therefore be out of a total of 60.

All vegetables are to be displayed for effect. The vegetables must be displayed within an area measuring 45cm x 60cm (18"x24"), without bending any part of them. No part of any exhibit may exceed the size of the tray. A tray or board measuring 45cm x 60cm (18"x24") can be used to display the vegetables, or the area can simply be marked on the staging. Where a tray has a lip or edge, it is the internal measurements that must not exceed 45cm x 60cm (18"x24").

A black cloth is permitted, and the tray may be painted. Parsley is allowed for garnishing, but no other foliage or accessories, such as plates, sand or rings will be allowed. Onion tops may be tied or whipped using raffia or string.

Notes for Exhibitors and Judges - Carrots and parsnips must have foliage trimmed back to 7.5cm (3in). Peas and beans must be displayed with some stalk attached. Tomatoes must be displayed with calyces (the green flower bud case). Judges may handle exhibits, open pods etc to check for quality. The tray, board or staging must not be cut or mutilated in any way at all – such as cutting holes for standing onions on. Judges should use their discretion when judging the Top Tray class, remembering that entries may come from inexperienced exhibitors. The points awarded should be clearly marked by the judges on the exhibitors' cards.

16. Any protest or objection concerning a judge's decision must be made in writing to the Show Secretary by 3.00 pm on the day of the Show. A fee of 50p will be charged and it will be returned if the protest is successful. The decision of the Committee is final.
